¶9.9 MESSAGE FROM THE PRESIDENT—  
EMIGRATION LAWS AND POLICIES OF  
MONGOLIA

The SPEAKER pro tempore, Mr. GUTKNECHT, laid before the House a

message from the President, which was read as follows:

*To the Congress of the United States:*

On September 4, 1996, I determined and reported to the Congress that Mongolia was not in violation of the freedom of emigration criteria of sections 402(a) and 409(a) of the Trade Act of 1974, as amended. This action allowed for the continuation of normal trade relations status for Mongolia and certain other activities without the requirement of an annual waiver.

As required by law, I am submitting an updated report to the Congress concerning the emigration laws and policies of Mongolia. The report indicates continued Mongolian compliance with U.S. and international standards in the area of emigration.

WILLIAM J. CLINTON.

THE WHITE HOUSE, February 11, 1999.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Ways and Means and ordered to be printed (H. Doc. 106-19).

#### 9.10 PROVIDING FOR THE CONSIDERATION OF H.R. 437

Mr. SESSIONS, by direction of the Committee on Rules, called up the following resolution (H. Res. 44):

*Resolved,* That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 437) to provide for a Chief Financial Officer in the Executive Office of the President. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Government Reform. After general debate the bill shall be considered for amendment under the five-minute rule. The bill shall be considered as read. During consideration of the bill for amendment, the chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. The chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

When said resolution was considered.

After debate,

On motion of Mr. SESSIONS, the previous question was ordered on the resolution to its adoption or rejection and under the operation thereof, the resolution was agreed to.
